

To review your worksheet, click on  
“Select Vehicle Replacements”

This worksheet contains a list of vehicles that are eligible for replacement. To complete the worksheet, you must select the New Replacement Type, and New SIN from the drop down menu. You may also type any options, color, or comment in the provided space. Next, you must select the fuel type from dropdown menu, and enter the garage zip. If you are using this vehicle for towing, you must check the "Yes" box and enter the towing weight. You may also have the option to select your delivery locations. Please note that the delivery location is determined by the FSR and thus your choice might be limited to a few locations. It is not a mandatory field. Contact your FSR for more information.
